Those new red silk stockings of Mr. Williams of Dahtmuth, which made their first appearance on the Sait Lake diamond in yesterday afternoon's practice, came near proving a jonah. Manager Griffin, who was trying to knock a few hoards off the left field fence with some old-time sky scrapers, mis-cued and smashed a line ball at the third cushion artist which hit the latter a rap in the headplece that made him think of dear old Boston and the old folks before he fell to the dirt. NEW ARRIVAL AT SAUCER. Wing, a Speedy Cyclist From the East, Joins Squad.

Another one of the new men promised by the management of the Salt Palace by the management of the Salt Palace track arrived in Salt Lake yesterday morning, in the person of Frank Wing of Ottawa, Ills. The addition of Wing to the already large string of riders at the saucer came as a surprise to race followers, as no intination of his coming was given out by the management. Frank Wing is a well known eastern crack, having followed the National circuit for several years, where he competed with such flyers as Eddle Bald, Tom Cooper, Earl Kiser, Gardner and other fast men.
